UK Deportations & Removals Monitor

Removal Tracking Form

The UK Deportations and Removals Monitor is recording enforced returns from the UK in order to fill in gaps in demographic data and build an evidence base to effectively challenge removals in the future.

Please use this form to record past removals that went ahead, cancelled removals, and removals that are scheduled to happen.

If you receive updates about the removal, in particular whether the removal actually goes ahead please inform us.

Confidentiality

Any information you provide will be stored on Uwazi, a secure, online database. All information is anonymous. Please do not share the name of the person being removed. However, if there is already a public campaign or media article, please do share relevant materials.
